

The Gospel in the Gospel Accounts

the two olive trees

The following list is by no means an exhaustive list; however, the 2 Olive Trees hopes this list will serve as a foundation for your study into the gospel message preached by Jesus Christ. It is important to note that the verses in this list pertain to the **announcement of the Kingdom of God and the way into the Kingdom**. Jesus Christ explained what the Kingdom of God is and how to enter into it. The reward of the saints is far different than what is commonly preached. Prayerfully study this list and believe the gospel!!!
